

# Please conserve water

Santa Fe County is located in a high desert region with crisp mountain air and an agreeable climate.

However, these luxuries come with responsibilities.

Our region is subject to drought, and with limited water resources,

*every drop of water counts.*

Conserve water in your daily activities.  
Please be mindful of the water  
you are using.

*water conservation works*

Posted pursuant to Santa Fe County Water Conservation Ordinance 2002-13. For more information, please contact Santa Fe County at 986.6225 or [water@santafecounty.org](mailto:water@santafecounty.org)
